

Young Friends of Mission Kids

Our Work: Mission Kids provides a direct service program that helps achieve healing and justice for victims of child abuse and their families in Montgomery County, as well as child abuse prevention education and community outreach programs.

Our Impact: The work of Mission Kids Child Advocacy Center expands every year. Mission Kids serves nearly 600 children and teens annually, and that number continues to rise. Since Mission Kids opened its doors in 2009, the organization has served over 4,000 children and their families. With each new client comes greater need for extended resources and funds.

Our Friends: The ‘Young Friends of Mission Kids’ Committee was established to reach new generations and audiences who are connected to our mission and to find new ways to meet the ever-growing needs of our Child Advocacy Center. This group of Young Professionals, ages 21-40 years old, is committed to supporting the Child Advocacy Center’s mission through volunteerism, fundraising and community awareness.

Membership: Being an active member of the “Young Friends” Committee is a great way to contribute your time and talents to an important cause. In return, you will have opportunities for socializing, networking, leadership development and fun while doing something meaningful for children.
